

Talbot County School District

Child Find

In accordance with IDEA regulations,
the Talbot County School District seeks to ensure that all children with disabilities
(ages 3 – 21) within its jurisdiction are being served. Child Find is a
Federally established comprehensive system designed to assure that each child,
regardless of disability has access to a free and appropriate public education. The purpose
of Child Find is to locate, identify and evaluate children from 3 through 21 years of age
who may have a developmental delay or other disabilities
and provide appropriate services.

Talbot County School District offers Special Education services to eligible students
(ages 3 through 21) enrolled in the county schools, and those students who may be home
schooled, or enrolled in private schools and preschools, including religious schools. All
referrals are considered confidential and services are provided at no cost to the family. If
you know a child who may have a problem with learning, speech, vision, hearing, or who
has physical or health impairments, please notify:
