## SCHOOL DESIGNATION PARENT NOTIFICATION

Dear Parent(s)/Guardian(s):

Welcome to the 2023-2024 school year! As we embark upon this new educational journey, we move forth with great anticipation. The Talbot County School District plans to return to in-person instruction for all students. For those students whose medical needs, either physical or psychiatric, do not allow them to attend in-person instruction, Hospital Homebound Services are available. Applications will be available upon request.

The safety of our students, staff and the community of Talbot County is very important to the administrative staff of Talbot County Schools. We will continue to have guidelines in place to ensure safety for everyone here at Central.

At Central, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential. We are a Title I school district providing supplemental funding to ensure that all students meet challenging state academic content and student academic challenges.

Talbot County is implementing Comprehensive Improvement strategies to help our students grow academically. Our last CCRPI report revealed that improvement is needed at each grade level. We will be offering student support to increase our academic achievement (after – school, digital support, tutoring, additional staff, etc.).

If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child, please contact Principal, Jonathan Taylor at (706 665-8577) [jtaylor@talbot.k12.ga.us](mailto:jtaylor@talbot.k12.ga.us) or Shakiya Steverson at (706-665-8528) [ssteverson@talbot.k12.ga.us](mailto:ssteverson@talbot.k12.ga.us).

Thank you for your support.

Sincerely,

Jonathan Taylor  
 Principal
