SCHOOL DESIGNATION PARENT NOTIFICATION

Dear Parent(s)/Guardian(s):

Welcome to the 2024-2025 school year! As we embark upon this new educational journey, we move forth with great anticipation. The Talbot County School District plans to return to in-person instruction for all students. For those students whose medical needs, either physical or psychiatric, do not allow them to attend in-person instruction, Hospital Homebound Services are available. Applications will be available upon request.

The health of our students, staff and the community of Talbot County is very important to the administrative staff of Talbot County Schools. We will continue to follow the Center for Disease Control guidelines (CDC), to ensure our school is safe for everyone. In the event there is an outbreak of COVID-19 within the school district and/ or community, the administrative staff, at their discretion, will return to virtual learning until such time as the threat has passed.

At Central, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential. We are a Title I school district providing supplemental funding to ensure that all students meet challenging state academic content and student academic challenges.

At this time, we have no school designation status from GaDOE. Our last CCRPI report revealed that improvement is needed at each grade level. We will be offering student support to increase our academic achievement (after – school, digital support, tutoring, additional staff, etc.).

If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child, please contact Asst. Superintendent, Jonathan Taylor at (706 665-8577) jtaylor@talbot.k12.ga.us or Debra Ayers at (706-665-8528) dayers@talbot.k12.ga.us.

Thank you for your support.

Sincerely,
Jonathan Taylor, Asst. Superintendent
